I hope you all had a refreshing and relaxing holiday break! As you are aware, the remodeling project is underway at PHHS! Over break, the flooring tiles were removed from the south hallway classrooms, both ag shops, and three north hallway classrooms. This will leave exposed concrete in these classrooms; however, will provide us with a great start for the remodel process. Mr. George's classroom has been home to new furniture options for students and staff to trial. A team of teachers have been providing feedback on furniture, flooring, and paint schemes.

The winter sports season is in full swing, along with our archery team, quiz team, and pep band! I am beyond proud of our many students that represent Patrick Henry on a daily basis.

Enjoy the January edition of the Patriot Legend! Happy New Year and go Patriots!
