

# PATRICK HENRY LOCAL SCHOOLS

## **Meet the School Social Worker**

Hello! My name is Kayla Von Deylen and I am the School Social Worker at Patrick Henry Local Schools. This is my second year on campus and my first year working directly for the district to meet the mental health needs of our students. While I am from Napoleon, I am very proud to be a part of Patriot Nation!

## **What I do**

I serve as the link between school, home, and the community. I work closely with parents, students, and school staff to assess and address mental health needs that may be impacting a student's educational success.

## **My Education**

I obtained my bachelor and master of Social Work degrees from the University of Toledo and I am a Licensed Social Worker in the state of Ohio.
