Yes, we are ALREADY entering October! We have had a very positive start to the 2019-2020 school year. Within this newsletter, you will find an update on school and student happenings, new graduation law, and more. If you have not made it out to our campus yet this year, I encourage you to do so. We have upcoming volleyball and football games, and a cross country meet, all here at Patrick Henry. No need to worry, the House of Heat is more like the House of Chill with the new HVAC system. Also, the hallway signs are hung to represent the 3 Pillars (Perseverance, Family, Above & Beyond). Our maintenance and custodial crew did a phenomenal job to get the building prepared for our staff and students! I hope you find this edition of the Patriot Legend informative. Have a splendid October! GO PATRIOTS!

## New Graduation Requirements

Within the next couple of weeks, I will be posting a screencast of me explaining the new permanent graduation requirements (House Bill 166). For now, you can find more information regarding these requirements by visiting our website, or clicking [HERE](#). I realize these requirements can be confusing, especially if you have multiple children at different grade levels. I can assure you that we will communicate as much information as possible, so you and your children are comfortable knowing how a diploma will be obtained. Thank you for your patience with this process.

## The Ridge Project/TYRO Program

We have partnered with the Ridge Project, who will work with our health course students with the TYRO Youth program. This program is designed to build leadership skills, reduce risky behaviors, and equip students to make positive choices. These lessons will be held on

Fridays during Mr. Tietje's health courses beginning soon. Also, I have worked with the Ridge Project to link these lessons with our 3 Pillars. If your child is in a health course, you will be receiving a permission form that will need signed and returned. This program is free of charge, as the Ridge Project is state funded. You can find more information regarding the Ridge Project and their TYRO program [HERE](#).

## Vaping Informational Assembly

The Henry County Health Department will be coming to PHHS for an assembly regarding the vaping epidemic on Tuesday, October 29th from 1:45 - 2:45 PM. The assembly will be held in the high school gymnasium and all parents are welcome to attend.

This has been a successful assembly at Liberty Center and Napoleon, and I feel this will be beneficial information for our students and families. Please plan to attend. More information regarding the vaping epidemic can be found [HERE](#).

# STUDENT HAPPENINGS

## Yearbook Conference

Mrs. Hartman took the yearbook students to the annual yearbook conference at BGSU. Students were able to collaborate with other students from around Ohio, and discover emerging trends in journalism, design, and photography.

The volleyball team earned tiger pins by beating the team from across the river (Liberty Center). Congrats, girls! The boys golf team (not pictured) also earned tiger pins this fall!

### STUDENT LIAISON TO THE BOARD

Senior, Natalie Meyer has been selected as this year's liaison to the Board of Education. Congrats!

## Senior Interviews

I have begun interviewing seniors regarding their experience here at PHHS. What better way to receive feedback than asking the students who have been here for the past 3-4 years?! This feedback will be used to guide decision making for future students. I have been impressed with the seniors so far, as many of them have come prepared with notes! Thank you, seniors!

The golf teams finished their seasons last week. Congrats to Sydney Rohrs on her 5th overall finish at the NWOAL Invite in Defiance!

## Student Section

The student section has been enhancing school spirit by developing creative themes for each volleyball and football game. I've been impressed by the student turnout thus far! A special thanks to Sabrina and Callie for their dedication to student engagement!

The cross country teams are well into their season and performing well! Join us at PH on October 1st for the Patriot Invite beginning at 4:30 PM!

Many students are participating in FCA! Last week, they held a student-led event, See You at the Pole.

Congrats to the newly inducted National Honor Society members! Effective this year, new requirements have been established, as well as a faculty council that assists the NHS advisor in making decisions for the improvement of the society. I'm excited to see what this group of students can achieve!

Current fantasy football standings in Mr. Ziegler's statistics course. This is how you keep students running INTO your classroom, opposed to OUT of your classroom! Great idea, Mr. Ziegler!
